Wine Collection

The Zevenster Wine Collection is an extension of the hotel owner's private wine collection. One of the keys to hospitality is to share a beautiful bottle of wine with a friend while having a meal cooked with passion and love. We hope that you would find the perfect bottle of wine in our collection to share with friends in a moment of *perfection, light, and life.*

These wines are carefully selected and some of the wines are very limited due to exclusivity and small production volumes.
